## **Loan Change Agreement**

Yes, I want to skip my December 2023 loan payment(s). I agree that I will be charged a \$20 fee per loan. I understand that skipping the payment will extend my repayment term and increase the total interest paid on the loan. Interest will continue to accrue on your loan. All other terms and conditions of my original agreement for the loan(s) are still applicable. I understand that my loan payment(s) will not be skipped if I do not have the funds available for the \$20 fee.

**Incomplete forms will not be processed. Please return form by December 1, 2023.**

***Please complete a separate form for each loan payment to be skipped.***
